

# Wallops Visitor Center Location

Management of the NASA Wallops Visitor Center is located at:

NASA Wallops Visitor Center  
Building J-20  
Wallops Island, VA 23337

The Visitor Center is located on Route 175, six miles east of US-13 and five miles west of Chincoteague Island, VA. It is a 60-minute drive south from Salisbury and Ocean City, MD and a 90-minute drive north from the Chesapeake Bay Bridge-Tunnel. Since the Visitor Center has **no physical address**, you might find it easier to locate us using the GPS coordinates and/or driving directions listed below.

If you still need help finding us call: 757.824.1344 or 757.824.2298 for information!

## **GPS COORDINATES:**

**N 37°56.359'**  
**W 75°27.398'**

## Driving Directions

### **From the Virginia Beach / Norfolk area:**

Cross the Chesapeake Bay Bridge-Tunnel and drive approximately 90 miles north on US-13. At the T's-Corner stoplight turn right (east) on VA Rt. 175. Continue on Rt. 175 for approximately 6 miles. The Visitor Center will be on your right (south) across from the main base. Landmarks include a road sign for the Visitor Center and large rocket exhibits on the grounds. Turn right into the parking lot.

### **From the Dover / Wilmington / Philadelphia area:**

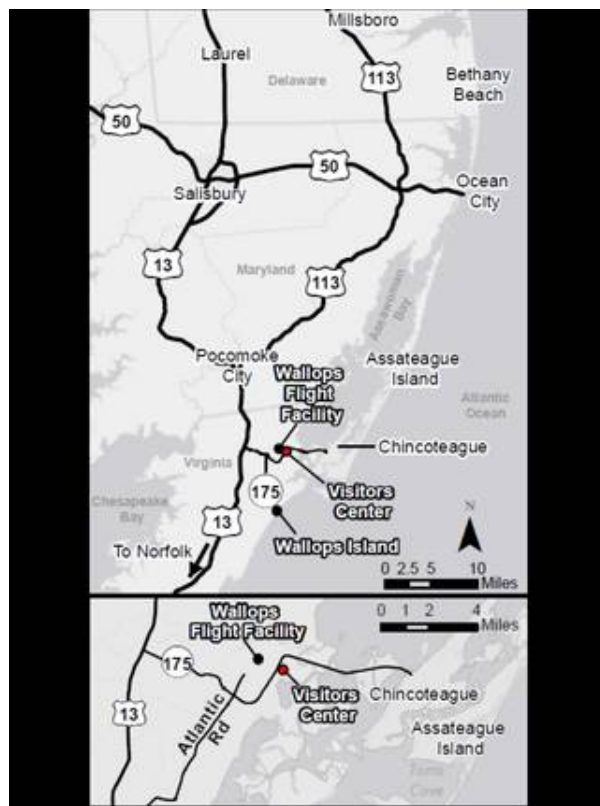

Drive south to Salisbury, MD. Take the bypass around Salisbury and continue south on US-13 for approximately 45 miles. A few miles after crossing into Virginia, turn left (east) on VA Rt. 175 at the T's corner stoplight. Continue on Rt. 175 for approximately 6 miles. The Visitor Center will be on your right (south) across from the main base. Landmarks include a road sign for the Visitor Center and large rocket exhibits on the grounds. Turn right into the parking lot.

### **From the Washington DC / Baltimore / Annapolis area:**

Drive east and then south on US-50 E across the Bay Bridge to Salisbury, MD. Take the US-50 E bypass around Salisbury. The bypass will merge with US-13 S. Drive south on US-13 for approximately 45 miles. A few miles after crossing into Virginia, turn left (east) on VA Rt. 175 at the T's corner stoplight. Continue on Rt. 175 for approximately 6 miles. The Visitor Center will be on your right (south) across from the main base. Landmarks include a road sign for the Visitor Center and large rocket exhibits on the grounds. Turn right into the parking lot.

### **From Ocean City, MD:**

Drive west on US-50 W and then turn left (south) on US-113 S around Berlin, MD to Pocomoke City, MD. Turn left (south) on US-13 S and drive south for approximately 12 miles. A few miles after crossing into Virginia, turn left (east) on VA Rt. 175 at the T's corner stoplight. Continue on Rt. 175 for approximately 6 miles. The Visitor Center will be on your right (south) across from the main base. Landmarks include a road sign for the Visitor Center and large rocket exhibits on the grounds. Turn right into the parking lot.
