

# STEM BRIDGE Scholarship Program

# 2019 - 2020

## Scholarships

Virginia Space Grant Consortium (VSGC) provides STEM (Science, Technology, Engineering, and Mathematics) Bridge Scholarships of \$1,000 to students who will be sophomores during the 2019-2020 academic year.

Students from any federally recognized minority group in STEM and enrolled full-time in a program of STEM at one of the five Virginia Space Grant member universities are strongly encouraged to apply.

Applied Health Science majors are not eligible for this program

The scholarship program introduces students to the STEM pipeline as well as NASA and VSGC internships. Students make connections to current VSGC scholars, fellows, faculty and research related to NASA's mission.

## About the VSGC

The Virginia Space Grant Consortium (VSGC) is a coalition of five Virginia colleges and universities, NASA, state educational agencies and other institutions representing diverse STEM education and research.

VSGC offers a wide range of student opportunities including fellowships, scholarships, internships, research experiences, and student flight projects.

## DEADLINE: March 11, 2019

## Eligibility

- U.S. citizen
- Enrolled as a full-time undergraduate student (minimum 12 credit hours) at one of the Virginia Space Grant Consortium member institutions
- Must have completed at least one semester majoring in STEM at time of application and be a sophomore during the 2019-20 academic year
- Grade point average of at least 3.0

*Students applying for the STEM Bridge Scholarship must be entering or attending one of these universities:*

The College of William and Mary  
Hampton University  
Old Dominion University  
University of Virginia  
Virginia Tech

## How to Apply
