

Undergraduate STEM Research Scholarship

2020-2021

Scholarships

The Virginia Space Grant Consortium (VSGC) provides undergraduate research scholarships of up to \$8,500 to students majoring in STEM disciplines (Science, Technology, Engineering and Math). Allied Health Science majors are not eligible for this program.

Scholarships require students to participate in a faculty-mentored research experience that aligns with NASA's mission.

Student scholarships and research support totaling \$4,000 during the academic year and \$4,500 during the summer semester are available.

Eligibility

- U.S. citizen
- Enrolled as full-time student (minimum of 12 credit hours) at one of the five VSGC member institutions
- Be a junior or senior during the 2020-2021 academic year
- In a program of study demonstrating an interest in STEM which supports NASA's mission
- Grade point average of at least 3.0
- Graduating May 2021 or later

Students applying for the undergraduate STEM Research Fellowship must be attending one of these universities:

**The College of William and Mary
Hampton University
Old Dominion University
University of Virginia
Virginia Tech**

About the VSGC

The Virginia Space Grant Consortium (VSGC) is a coalition of five Virginia colleges and universities, NASA, state educational agencies and other institutions representing diverse STEM education and research. VSGC offers a wide range of student opportunities including fellowships, scholarships, internships research experiences, and student flight projects.
