

Summer 2018 Media Internship

Photography • Videography • Media Production

Virginia Space Grant Consortium is looking for two media interns to support a variety of our summer programs. This summer internship is located in Hampton, Virginia, with work primarily at NASA Langley Research Center and NASA Wallops on Virginia's Eastern Shore.

This 9-week internship starts June 11 and pays \$10 hour.

Applicant reviews begin: March 30.

For a more detailed job description and application information, visit our internship page at: vsgc-net.edu.edu/mediainternship

The Virginia Space Grant Consortium (VSGC) is a coalition of five Virginia colleges and universities, NASA, state educational agencies and other institutions focused on STEM education, workforce development and research.
