The Virginia Space Grant Consortium (VSGC) provides undergraduate research scholarships of up to $8,500 to students majoring in STEM disciplines (Science, Technology, Engineering and Math).

Scholarships require students to participate in a faculty-mentored research experience that aligns with NASA’s mission.

Student scholarships and research support totaling $4,000 during the academic year and $4,500 during the summer semester are available.

**Eligibility**

- U.S. citizen
- Enrolled as full-time student (minimum of 12 credit hours) at one of the five VSGC member institutions
- Be a junior or senior during the 2021-2022 academic year
- In a program of study demonstrating an interest in STEM which supports NASA’s mission
- Grade point average of at least 3.0
- Graduating May 2022 or later

Students applying for the undergraduate STEM Research Fellowship must be attending one of these universities:

- The College of William and Mary
- Hampton University
- Old Dominion University
- University of Virginia
- Virginia Tech

**About the VSGC**

The Virginia Space Grant Consortium (VSGC) is a coalition of five Virginia colleges and universities, NASA, state educational agencies and other institutions representing diverse STEM education and research. VSGC offers a wide range of student opportunities including fellowships, scholarships, internships, research experiences, and student flight projects.

**How to Apply**
