

## 2022-2023 Virginia Space Grant Consortium Graduate STEM Research Fellowships

The Virginia Space Grant Consortium (VSGC) is a coalition of five Virginia colleges and universities, NASA, state educational agencies and other institutions representing diverse STEM education and research. VSGC offers a wide range of student opportunities including fellowships, scholarships, internships, research experiences, and student flight projects.

### Fellowships

The Virginia Space Grant Consortium (VSGC) provides \$6,000 graduate research fellowships to students majoring in STEM disciplines (Science, Technology, Engineering and Math). Fellowships require students to participate in a faculty-mentored research experience that aligns with NASA's Mission Directorates. Awardees are required to use \$1,000 from the Fellowship to support travel to related conferences and for research-related supplies and materials. Awards are renewable for one year for students making satisfactory academic and research progress.

### Eligibility

- U.S. citizen
- Graduation date no sooner than May, 2023
- Conducting research that supports NASA's mission
- Grade point average of at least 3.0
- Must be receiving matching funds of at least \$6,000 from applicant's academic institution enrolled as a full-time graduate student at one of the Virginia Space Grant Consortium member institutions:

Hampton University  
Old Dominion University  
University of Virginia  
Virginia Tech  
William & Mary

### How to apply

For more information, and to complete the online application for 2022-2023, please contact Joyce Kuberek at: [jkuberek@odu.edu](mailto:jkuberek@odu.edu) or visit: <http://vsgc.odu.edu/graduatefellowships/>

### Deadline

## January 28, 2022

Virginia Space Grant Consortium • 600 Butler Farm Road, Suite 2253  
Hampton, Virginia 23666 • [vsgc.odu.edu](http://vsgc.odu.edu) • Phone: 757.766.5210
