

2022-2023 Virginia Space Grant Consortium Undergraduate STEM Research Scholarship

The Virginia Space Grant Consortium (VSGC) is a coalition of five Virginia colleges and universities, NASA, state educational agencies and other institutions representing diverse STEM education and research. VSGC offers a wide range of student opportunities including fellowships, scholarships, internships, research experiences, and student flight projects.

Scholarships

The Virginia Space Grant Consortium (VSGC) provides undergraduate research scholarships of up to \$8,500 to students majoring in STEM disciplines (Science, Technology, Engineering and Math Scholarships require students to participate in a faculty-mentored research experience that aligns with NASA's Mission Directorates. Student scholarships and research support totaling \$4,000 during the academic year and \$4,500 during the summer semester are available.
