2024-2025 Virginia Space Grant Consortium

Undergraduate STEM Research Scholarship

The Virginia Space Grant Consortium (VSGC) is a coalition of five Virginia colleges and universities, NASA, state educational agencies and other institutions representing diverse STEM education and research. VSGC offers a wide range of student opportunities including fellowships, scholarships, internships, research experiences, and student flight projects.

Scholarships

The Virginia Space Grant Consortium (VSGC) provides undergraduate research scholarships of up to $8,500 to students majoring in STEM disciplines (Science, Technology, Engineering and Math Scholarships require students to participate in a faculty-mentored research experience that aligns with one of NASA’s Mission Directorates. Student scholarships and research support totaling $4,000 during the academic year and $4,500 during the summer semester are available.
