

## 2025-2026 Virginia Space Grant Consortium

# Undergraduate STEM Research Scholarship

The Virginia Space Grant Consortium (VSGC) is a coalition of five Virginia colleges and universities, NASA, state educational agencies and other institutions representing diverse STEM education and research. VSGC offers a wide range of student opportunities including fellowships, scholarships, internships, research experiences, and student flight projects.

### Scholarships

The Virginia Space Grant Consortium (VSGC) provides undergraduate research scholarships of up to \$8,500 to students majoring in STEM disciplines (Science, Technology, Engineering and Math Scholarships require students to participate in a faculty-mentored research experience that aligns with one of NASA's Mission Directorates. Student scholarships and research support totaling \$4,000 during the academic year and \$4,500 during the summer semester are available.

### Eligibility

- U.S. citizen
- Be a junior or senior during the 2025-2026 academic year and conducting research
- In a program of study demonstrating an interest in STEM which supports NASA's mission
- Grade point average of at least 3.0
- Graduating May 2026 or later
- Enrolled as full-time student (minimum of 12 credit hours) at one of the five VSGC member institutions listed below:

Hampton University  
Old Dominion University  
University of Virginia  
Virginia Tech  
William & Mary
