

Virginia Space Coast Scholars

Applications Open!

Virginia Space Coast Scholars is a FREE program for students interested in exploring orbital and suborbital flight.

Must be: - 10th grade
- Virginia resident
- 2.7 GPA
- U.S citizen (for summer academy)

Nov. - March
Complete a 5-module online course featuring engaging projects & writing assignments about launch platforms at NASA's Wallops Flight Facility & the Mid-Atlantic Regional Spaceport.

Top-performers may be invited to an immersive, 7-day residential academy at NASA Wallops. Working alongside NASA & industry professionals to develop & present a mission—from concept to launch.
